

Welcome to A Bed 4 Me Foundation

A non-profit organization providing beds to children and teens that would otherwise be sleeping on the floor or other inadequate spaces.

Who we are . . .

A Bed 4 Me Foundation is a 501(c)(3) organization with a mission to ensure that children have a place of their own to sleep each night. We understand the critical role of sleep in a child's development, health, academic performance and self-esteem. A Bed 4 Me qualifies each child and provides a bedding kit at no cost to the families. Our foundation addresses this essential need as we believe every child deserves a bed.

Who we serve . . .

A Bed 4 Me Foundation serves children ages 2-18 from low to middle income families within the Okaloosa County area. After a referral and introductory visit are completed, we provide new bedding (twin mattress, bed frame, pillow, sheet and comforter set) to children who do not have beds due to economic struggles and lack of financial resources as well as displaced families starting over due to domestic violence issues.

From a recipient;

"I loved that they included my daughter in the whole process, from doing the initial visit and asking her what kind of colors and characters she liked to even helping set up the bed and putting the sheets on. I'm very grateful for this foundation as we just couldn't afford it ourselves."
